

Rebecca Cowell

Barrister

Overview

Rebecca commenced her common law pupillage in November 2020 under the supervision of Charles McCain. She welcomes instructions in all areas of Chambers' practice.

Prior to pupillage, Rebecca worked as a County Court advocate appearing before District Judges in a variety of contested civil matters including small claims, landlord and tenant disputes, possession claims, general civil applications and infant approval hearings.

During her studies, Rebecca volunteered at Kensington & Chelsea Citizens Advice Bureau, carrying out pro bono work for the victims of Grenfell Tower. In this role, she supported extremely vulnerable individuals experiencing difficult circumstances.

In her spare time, Rebecca can be found walking along the Northumberland coast with her cockapoo or at her local theatre watching her favourite musicals.
